RULE 6 GENERAL

No entry form for any Championship shall be distributed until it has been submitted to and approved by the Chair(s) of the sport committee(s) involved and the Chief Executive Officer of USATF. The entry form shall include all pertinent information regarding filing dates, late entries, fees and declaration procedures.
3. The final date for entries to a National Championship shall be designated by the Chair of the sport committee involved. 6. Qualifying standards and procedures may be established for Championships and for qualifying competition for international competition by the sport committee concerned.

7. The rights of defending USA Open individual event National champions shall be governed by the following:
 - (a) Each individual winner of the previous year's USA Open Championships shall be entitled to receive from the sponsoring organization full expenses to enable the athlete to defend his or her title if, in the opinion of the sport committee concerned, the champion is in condition to defend the title.
 - (b) Where two or more athletes are co-holders of a Championship, an allotment in an amount equal to the expenses of the co-holder who resides the greatest distance from the city in which the meet or event is being held shall be provided and each co-holder shall receive a pro rata percentage of such allotment, calculated on a mileage basis. Where possible, co-holders should be paid full expenses.

RULE 7 TEAM SCORING

1. Two methods exist for scoring team Championships: scoring by place and scoring by time.
2. The team Championships in Long Distance Running and Race Walking shall be scored by time. The team Championships for Open, Masters, Junior and Youth Cross Country shall be scored by place.
3. Scoring by place:
 - (a) The team score shall be the total of the finishing positions of the scoring members. The team with the lowest total points is the team winner.
 - (b) Runners of incomplete teams, team entries not declared eligible for team

scoring, and unattached or individual competitors will be eliminated from team scoring. Non-scoring declared members of complete teams shall retain their finishing positions and thereby displace other runners.

- (c) When separate competitions are conducted simultaneously, each shall be scored independently. Runners on teams not eligible for a given competition will be eliminated from team scoring in that competition.
- (d) In the event of a tie between two or more individual runners, each shall score the number of points determined by dividing the total of the finish places by the number of runners who have tied.

4. Scoring by time:

The team score shall be the aggregate time of the scoring members. The team with the lowest aggregate time is the team winner.

- 5. In team Championships scored by time, if the Games Committee determines that scores for the winning teams cannot be determined because of clock failure or other reasons, team Championships shall be determined by scoring by place.
- 6. Prior to the start of the event, the team coach or other representative shall declare the team entries eligible for scoring.
- 7. Whether scoring by time or place:
 - (a) If a team fails to finish with a complete scoring team, the team members finishing shall be counted as individuals in the race results and shall be eligible to receive individual awards.
 - (b) Ties between two or more teams shall be resolved by determining which team's last scoring member finished nearest to first place. If the tie still exists, the next to last scoring members are compared in the same way, etc.

RULE 8
NON-CHAMPIONSHIP COMPETITIONS

- 1. So far as possible, the rules for the conduct of Championships shall apply to all other competitions conducted or sanctioned by USATF or any of its Associations.
- 2. Unless otherwise provided in these rules, age limitations or divisions for Championship competition apply to open events or meets sanctioned or conducted by USATF. In long distance running non-championship events, age

divisions may be determined by the Association sport committee or the sponsoring organization.

3. Points for track and field meets shall be scored in accordance with the appropriate provisions of Rule 13, except that events not included on the entry blanks, and events (other than novice events) not open to all USATF member athletes shall not count in the scoring for team point trophies. Relay races shall be scored as any other event.
4. When a prize or trophy is awarded for individual high scoring in any meet, points shall be scored in the same manner as points would be scored for the team Championships or point trophy in that meet, except that points scored for relay races shall not be counted. In case of a tie, the trophy or prize shall be awarded to the competitor winning the most first places.

6. Individuals who have committed doping offenses may be declared ineligible and may lose medals won and records set subsequent to the offense. If the offense is based on in-competition testing, prizes or appearance money earned at that competition and subsequent competitions are subject to forfeiture.

7. USATF participates in out-of-competition and in-competition doping control programs conducted by various drug testing authorities. One program is conducted by the United States Anti-Doping Agency (USADA) on behalf of the United States Olympic Committee (USOC). Another is conducted by IDTM on behalf of the International Association of Athletics Federations (IAAF). On occasion, USADA conducts testing on behalf of the IAAF. The IAAF has also contracted with the World Anti-Doping Agency (WADA) to conduct testing of track and field athletes on its behalf. Therefore, a USATF athlete may be drug tested by USADA, IDTM, or WADA. The relevant protocols are set forth in the 2005 USATF Governance Handbook.
