### **NormaTec joins USATF as Affinity Partner**

Through our partnership with NormaTec, USA Track & Field offers its tier athletes the opportunity to own industry-leading compression devices designed for recovery and rehab. In addition to providing compression devices to elite USATF athletes, NormaTec will also establish a "Recovery Zone" for the benefit of USATF athletes at certain USATF Championship events, including the Olympic Trials and Indoor Championships. All Tier 1, 2, and 3 athletes will have the option to opt-in and receive a complete NormaTec recovery system (pump, compressions boots, hip attachment, carrying case, and free shipping) for \$1000 of their USATF Medical Stipend. This is a savings of 58% off of the retail price. USATF's high performance program's staff will distribute NormaTec devices to USATF tier athletes. For more information about athletes obtaining NormaTec devices contact Bejan Abtahi, Sports Science and Medicine Manager at USATF.
