## **SafeSport—Where Your Game Plan Starts**

USATF is in the process of rolling out the USOC Safesport program to our constituents. Due to the access you are provided to our youth and athletes, each of you must comply with the requirements of this program. The only

new element for you, will be to complete the USOC Safesport Training course by **12/31/2015**. We will offer the course at the 2015 USATF Outdoor Championships and at the 2015 USATF Annual Meeting. You may also

take the course online at any time at: <http://www.safesport.org>.

If this course is not completed by 12/31/15, you will not be authorized as a USATF Athlete Representative for 2016.
