First Time Selections

The following notes apply to the first time selection statistics below:

- 1) It only includes meets from 2007-2016. If someone was selected before 2007 but not since, they would appear as a first time selection.
- 2) Someone is considered selected even if that selection is as an alternate, regardless of whether they end up working the meet.
- 3) Someone is considered selected even if they decline that selection and do not work the meet.
